# LANDSCAPE-ONTARIO *Awards* of Excellence

**Landscape Ontario salutes  
green industry excellence,  
recognizing the year's best construction,  
design and maintenance work.**

Breathtaking design and master craftsmanship in landscape construction, maintenance and design projects were recognized at Landscape Ontario Horticultural Trades Association's Awards of Excellence Ceremony, held January 6, 2015. Over 600 industry professionals attended the gala awards presentation held at Toronto's International Plaza Hotel. The Awards ceremony is held in conjunction with Congress, one of North America's largest green industry events.

The winning projects showed the outstanding levels of craftsmanship attained by Ontario's landscape industry. That top-notch technical mastery was matched by stunning and sophisticated landscape design. The evening was hosted by Frank Ferragine of Breakfast Television and CityTV. The Landmark Group of Thornbury received the evening's top honour, The Dunington-Grubb Award, for highest-scoring construction project. Pro-Land Landscape Construction of Brampton received the Casey van Maris Award, and Cedar Springs Landscape Group of Oakville was presented with the Don Salivan Grounds Management Award.
